THE WATERFALL CONSOLE

BASED ON THE CONCEPT OF THE PIVOT JOINT, THE TOP AND LEG ARE JOINED BY A CYLINDRICAL ELEMENT. THE LEGS FLOW EFFORTLESSLY FROM THE TOP, CREATING AN ELEGANT FLUID COMPOSITION. THIS DESIGN WILL WORK EQUALLY WELL IN MODERN AND TRADITIONAL SETTINGS.

CONSTRUCTED IN THE TRADITIONAL MANNER, THIS PIECE IS METICULOUSLY FINISHED IN LACE WOOD WITH A ROSEWOOD FRAME DETAIL.

DIMENSIONS:

WIDTH: 54"

DEPTH; 18"

HEIGHT; 33"

PRICE UPON REQUEST; CONTACT@botero-design-gallery.com
